

Vendor's Preparation

When you originally purchased your home.

What influenced you to buy your home?

What are the benefits of living in your neighbourhood?

What plans did you have for your home which you may not have completed?

About the time you've spent living here.

What comments do you hear most often about your home?

What do you enjoy most about the area?

Does your home have any features that may not be immediately obvious?

What are the five things you like best about your home?

1.

2.

3.

4.

5.

Is there anything else we should know?
